**WILSON - WHITE**

On November 24 at the Andover Congregational Church Miss Wanita White, daughter of Mr. and Mrs. Lester White, East Andover and Frank H. Wilson, III, California City, California, son of Mrs. Hazel Vandepas, Golden Valley, Minnesota and the late Frank Wilson were united in a double ring ceremony by Rev. Cladye W. Park, Mexico Baptist Church.

The brides only attendant was her youngest sister, Miss Marilyn White. The bride's brother, Daniel White, acted as best man. Daniel's twin brother, David White, was an usher.

The bride, who was given away by her father, was dressed in a floor length four tier lace gown with a sweetheart neckline and long pointed sleeves. Her shoulder length illusion veil fell from a crown of seeded pearls. She carried a white Bible with a cor-

sage of yellow, bronze and white mums. The rings that were exchanged were designed by the groom's mother.

The maid of honor was gown-dressed in a shocking pink, street length gown with a tiny pill box hat to match. Her corsage was of fall mums.

Mrs. Herbert Knox, church organist played traditional wedding music. The church had two large arrangements of fall flowers.

Due to a change in wedding plans the groom's relatives were unable to attend. The wedding was previously scheduled for Nov. 19 but due to illness was postponed.

A reception was held immediately following the ceremony for approximately 40 relatives and friends in the Christian Education Building. Mrs. Sylvanus Glover was in charge of the reception with Mrs. Arthur Hutchins, Helen Glover, Norma White

and Sandra White assisting with the refreshments.

The four tier bride's cake was made and decorated by the bride's sister, Mrs. Freeman Farrington. After the bridal couple cut the first piece, Mrs. Farrington and the maid of honor served the cake.

Mrs. Betty-Jean Farrington, niece of the bride, assisted by Norma White, circulated the guest book.

The bride's mother wore a street length dress of Kelly green with matching hat. She wore a corsage of fall mums.

The bride graduated from Andover High School in 1961 and from Aroostook State College, Presque Isle in 1965 and for the past two years has taught in Lisbon.

The groom graduated from Brooks Military School in 1957 and attended the University of

Minnesota for three years. He served with the U. S. Air Force for eight years and was discharged in December 1964 as S-Sgt. and was last stationed at Loring A. F. B. in Limestone. He is now Title Officer for California City Development Company.

Following the reception the couple left for Portland and were scheduled to board a plane on November 25 for their trip to Los Angeles. They will reside in California City. The bride chose for traveling a checked suit dress with green accessories. She wore a mum corsage.

The bride was guest of honor at a pre-nuptial shower in Lisbon and another in Andover.

## 20 SECONDS WITH THE NAZARENE

## WHAT IS CHARITY?

It's silence when your words would hurt.  
It's patience when your neighbor's curl.  
It's deafness when the scandal flows.  
It's thoughtfulness for another's woes.  
It's promptness when a stern duty calls;  
It's courage when misfortune falls.

## MILTON CONCORD FOND ROAD

—Maude Brown, Corres.—

Nov. 25: Today Elaine and Francis Roberts worked on insulating and wall boarding the little back freezer room, on into the evening till Lawrence Walk was most ready to sign off. Would thank Mrs. Beaulieu Harvey for my nice birthday anniversary card. (Errol, N. H.)

27th: This day lovely, sunny, no wind, will shorten the winter.

Three of the Martel brothers came from Massachusetts Thanksgiving evening to their camp to hunt for the rest of the week, but no luck.

Fred Chase and son-in-law, from Lisbon, made a short stop at Roger Farnum's on Friday.

We hear the man that has been at his castle on Buck Hill during the hunting season off and on got his deer last week. Good for him. Some one of the men that have a camp down on the far road got a big deer late Saturday afternoon somewhere between Buck Hill and over the mountain to Route 232.

See that Roger and Ethel Farnum weren't home a week ago when the lady came for news. They had gone with Geo. Turner of West Paris to Rangeley and Oquossoc to take care of his camp, more snow up there than

## LETTER TO THE EDITOR

West Bethel, Maine  
Nov. 27, 1967

The Editor  
Bethel Citizen  
Bethel, Maine

Dear Editor:

It is sometime since I have appealed through your columns for any support for Friends of Animals of New York, the national wide organization I have represented for nearly two years as a volunteer.

The work of the Friends of Animals continues in helping to obtain better legislation for the welfare of all animals, and in educating the public to the need to control the dog and cat population at a level for which there is a demand. Production of unwanted pets, due to lack of spaying and neutering continues in the millions.

In this area while many people have availed themselves of the supplementary financial help offered to get their pets spayed and neutered, there remain more who continue to allow breeding with no prospect of homes for the young puppies and kittens. Animals given away all too seldom get good homes. Despite all the literature available on care and feeding and training of pets, surprisingly large numbers ignore it and in so doing not only create a nationwide health problem of wandering sick animals but at times vicious, because of their neglect and illness and fear.

Friends of Animals was recipient of a very large bequest, which helped greatly to make subsidization of veterinarians' fees possible all over the country. The agency feels that some of this fund should be set aside to help new volunteers get started in areas not previously served—and quite rightly so.

There have been only a few small donations from this locality—either those assisted by FOA or others attracted by the work—as a consequence our work will have to cease in this area, unless someone responds generously to the appeal for funds now. All such contributions are, of course, tax deductible.

Anyone making such a financial contribution has the satisfaction of knowing they are making this a better country in

which to live—animals are humanely spared suffering, people are very often saved from the bites of frightened wild domestic animals allowed to roam freely because NO ONE CARES. Animals which for generations like dogs and cats, have been bred domestically, are not suited to finding out an existence for themselves and living wild—yet once they start doing this because of no other choice, they are very hard to tame and catch to put humanely to sleep, unless they are trapped.

No one has expressed an active interest in starting a humane society in this valley, although there are some who realize the great need, the nearest are Lewiston-Auburn and Conway, N. H.

It is hard to believe that such apathy can exist when at this time, those who really love and care for their pets are paying more for pet care, pet foods and supplies than at any previous time in the country's history. IF YOU LOVE AND CARE FOR YOUR PETS, could you spare a contribution to FOA to continue their highly responsible and worthwhile work?

All contributions should be mailed direct to headquarters

which to live—animals are humanely spared suffering, people are very often saved from the bites of frightened wild domestic animals allowed to roam freely because NO ONE CARES. Animals which for generations like dogs and cats, have been bred domestically, are not suited to finding out an existence for themselves and living wild—yet once they start doing this because of no other choice, they are very hard to tame and catch to put humanely to sleep, unless they are trapped.

No one has expressed an active interest in starting a humane society in this valley, although there are some who realize the great need, the nearest are Lewiston-Auburn and Conway, N. H.

It is hard to believe that such apathy can exist when at this time, those who really love and care for their pets are paying more for pet care, pet foods and supplies than at any previous time in the country's history. IF YOU LOVE AND CARE FOR YOUR PETS, could you spare a contribution to FOA to continue their highly responsible and worthwhile work?

All contributions should be mailed direct to headquarters
